Education Center

TDM worked in association with Richard McLaughlin, A.I.A. on a new phased master plan for Holy Family Church in South Pasadena. The plan included a new 30,000 SF K-8th grade elementary and middle school and religious education building as part of a master plan for the entire site. This also incorporates a new central piazza, multi-purpose hall, administration building and remodel of an older church facility across Fremont Street, converting the older facility into meeting rooms and offices.

Pastoral Hall

Two stories plus full basement with parish offices, meeting rooms, small meditation chapel, class rooms and storage. In a later phase, this building was interconnected to a new Parish Hall. TDM also collaborated with Richard McLaughlin AIA on this multi-phase project.

Client:
Holy Family Church
Education Center

Location:
South Pasadena, CA

Size:
30,000 SF

Cost:
\$3,500,000

Completed:
1988

Pastoral Hall
Size:
12,960 SF

Cost:
\$1,500,000

Completed:
1997
